Issues

1. Timing inconsistency between deposit and withdrawal

Severity: minor

In `TokenLock` there seems to be a small inconsistency since deposit is possible at `depositDeadline` but withdrawal isn't.

status - fixed

The issue is no longer present in: <https://github.com/gnosis/token-lock/blob/f974d1e8643c30d07dc005d10f9389085e74556d/packages/contracts/contracts/TokenLock.sol>
